

COLLECT CALL FROM MARS

Love That Night

I've got emotions crawling up my
sheets
Messing my sound up, taking my
believes
Walking on ground, darker then the
night
but I love that night, love that night,
yeah

You've got me wrong minded
Enlighten
but you don't know

That I am suddenly blinded
Oh no.

Underneath my feet, there's no land
You stupid bitch
I keep thinking, to get upset

but I can't get enough
and it won't bother me
but I can't get enough, it won't bother

I've got emotions crawling up my
sheets
Messing my sound up, taking my
believes
Walking on ground, darker then the
night
but I love that night, love that night,
yeah

Thoughts wrap around tighter
but you don't know

That you are taking me higher
Oh no

Underneath my feet, there's no land
You stupid bitch
I keep thinking, to get upset

but I can't get enough
and it won't bother me
but I can't get enough, it won't bother

I've got emotions crawling up my
sheets
Messing my sound up, taking all my
believes
Walking on ground, darker then the
night
but I love that night, love that night,
yeah

but I can't get enough and it won't
bother me...
Loving that night

I've got emotions crawling up my
sheets
Messing my sound up, taking all my
believes
Walking on ground, darker then the
night
but I love that night

I've got emotions crawling up my
sheets
Messing my sound up, taking all my
believes
Walking on ground, darker then the
night
but I love that night

You know I do
